

Anti-Carcinoembryonic antigen (Arcitumomab), Human IgG1 Antibody
Catalog # ABV11790**Specification**

Anti-Carcinoembryonic antigen (Arcitumomab), Human IgG1 Antibody - Product Information

Application	FC
Primary Accession	Q13984
Reactivity	Human
Host	Recombinant
Clonality	Monoclonal
Isotype	Human IgG1, kappa

Anti-Carcinoembryonic antigen (Arcitumomab), Human IgG1 Antibody - Additional Information

Alias Symbol	CEA
Other Names	
CEA	

Appearance
Colorless liquid

Formulation
200 µg affinity purified human antibody in phosphate-buffered saline (PBS) containing 0.02% Proclin 300

Reconstitution & Storage
-20 °C

Background Descriptions**Precautions**

Anti-Carcinoembryonic antigen (Arcitumomab), Human IgG1 Antibody is for research use only and not for use in diagnostic or therapeutic procedures.

Anti-Carcinoembryonic antigen (Arcitumomab), Human IgG1 Antibody - Protein Information**Anti-Carcinoembryonic antigen (Arcitumomab), Human IgG1 Antibody - Protocols**

Provided below are standard protocols that you may find useful for product applications.
