

**Rnf122 antibody - middle region**  
**Rabbit Polyclonal Antibody**  
**Catalog # AI12261****Specification**

---

**Rnf122 antibody - middle region - Product Information**

|                   |                                                                                 |
|-------------------|---------------------------------------------------------------------------------|
| Application       | WB                                                                              |
| Primary Accession | <a href="#">Q8BP31</a>                                                          |
| Other Accession   | <a href="#">NM_175136</a> , <a href="#">NP_780345</a>                           |
| Reactivity        | Human, Mouse, Rat, Rabbit, Zebrafish, Pig, Goat, Horse, Bovine, Guinea Pig, Dog |
| Predicted         | Rabbit, Chicken, Goat, Bovine, Guinea Pig, Dog                                  |
| Host              | Rabbit                                                                          |
| Clonality         | Polyclonal                                                                      |
| Calculated MW     | 17kDa KDa                                                                       |

**Rnf122 antibody - middle region - Additional Information****Gene ID** 68867

|                                 |               |
|---------------------------------|---------------|
| Alias Symbol                    | 1110063C11Rik |
| <b>Other Names</b>              |               |
| RING finger protein 122, Rnf122 |               |

**Format**

Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose.

**Reconstitution & Storage**

Add 50 ul of distilled water. Final anti-Rnf122 antibody concentration is 1 mg/ml in PBS buffer with 2% sucrose. For longer periods of storage, store at 20°C. Avoid repeat freeze-thaw cycles.

**Precautions**

Rnf122 antibody - middle region is for research use only and not for use in diagnostic or therapeutic procedures.

**Rnf122 antibody - middle region - Protein Information****Name** Rnf122**Function**

May induce necrosis and apoptosis. May play a role in cell viability (By similarity).

**Cellular Location**

Golgi apparatus. Endoplasmic reticulum. Membrane; Single-pass membrane protein

## Rnf122 antibody - middle region - Protocols

Provided below are standard protocols that you may find useful for product applications.

- [Western Blot](#)
- [Blocking Peptides](#)
- [Dot Blot](#)
- [Immunohistochemistry](#)
- [Immunofluorescence](#)
- [Immunoprecipitation](#)
- [Flow Cytometry](#)
- [Cell Culture](#)
