Trypsin Antibody
Mouse Monoclonal Antibody
Catalog # ALS13260

Specification

Trypsin Antibody - Product Information

Application	**IHC**
Reactivity	**Human**
Host	**Mouse**
Clonality	**Monoclonal**

Trypsin Antibody - Additional Information

Target/Specificity
Specifically recognizes pancreatic trypsin. Does not cross- react with pancreatic chymotrypsin.

Reconstitution & Storage
Long term: -70°C; Short term: -20°C

Precautions
Trypsin Antibody is for research use only and not for use in diagnostic or therapeutic procedures.

Trypsin Antibody - Protein Information

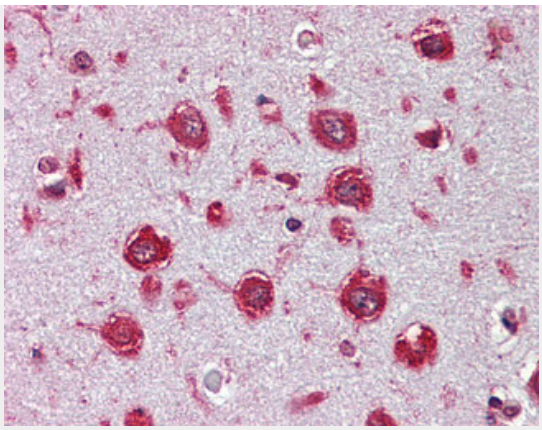

Trypsin Antibody - Protocols

Provided below are standard protocols that you may find useful for product applications.

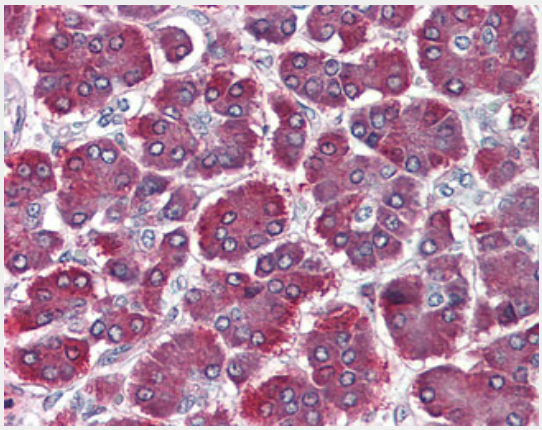

- Western Blot
- Blocking Peptides
- Dot Blot
- Immunohistochemistry
- Immunofluorescence
- Immunoprecipitation
- Flow Cytomety
- Cell Culture
