

EBI3 Antibody (aa120-170)

Rabbit Polyclonal Antibody Catalog # ALS14886

Specification

EBI3 Antibody (aa120-170) - Product Information

Application IHC, WB
Primary Accession O14213
Reactivity Human
Host Rabbit
Clonality Polyclonal
Calculated MW 25kDa KDa

EBI3 Antibody (aa120-170) - Additional Information

Gene ID 10148

Other Names

Interleukin-27 subunit beta, IL-27 subunit beta, IL-27B, Epstein-Barr virus-induced gene 3 protein, EBV-induced gene 3 protein, EBI3, IL27B

Target/Specificity

Human EBI3

Reconstitution & Storage

Store at 4°C, stable for 6 months. For long term storage, aliquot and store at -20°C.

Precautions

EBI3 Antibody (aa120-170) is for research use only and not for use in diagnostic or therapeutic procedures.

EBI3 Antibody (aa120-170) - Protein Information

Name EBI3

Synonyms IL27B

Function

Associates with IL27 to form the IL-27 interleukin, a heterodimeric cytokine which functions in innate immunity. IL-27 has pro- and anti-inflammatory properties, that can regulate T-helper cell development, suppress T-cell proliferation, stimulate cytotoxic T-cell activity, induce isotype switching in B-cells, and that has diverse effects on innate immune cells. Among its target cells are CD4 T-helper cells which can differentiate in type 1 effector cells (TH1), type 2 effector cells (TH2) and IL17 producing helper T-cells (TH17). It drives rapid clonal expansion of naive but not memory CD4 T-cells. It also strongly synergizes with IL-12 to trigger interferon-gamma/IFN- gamma production of naive CD4 T-cells, binds to the cytokine receptor WSX-1/TCCR. Another important role of IL-27 is its antitumor activity as well as its antiangiogenic activity with activation of production of antiangiogenic chemokines.

Cellular Location Secreted.

Volume 50 µl

EBI3 Antibody (aa120-170) - Protocols

Provided below are standard protocols that you may find useful for product applications.

- Western Blot
- Blocking Peptides
- Dot Blot
- Immunohistochemistry
- Immunofluorescence
- <u>Immunoprecipitation</u>
- Flow Cytomety
- Cell Culture
