

SMYD2 Antibody (N-term) Blocking Peptide
Synthetic peptide
Catalog # BP1044a**Specification**

SMYD2 Antibody (N-term) Blocking Peptide - Product InformationPrimary Accession [Q9NRG4](#)**SMYD2 Antibody (N-term) Blocking Peptide - Additional Information****Gene ID** 56950**Other Names**

N-lysine methyltransferase SMYD2, 211-, HSKM-B, Histone methyltransferase SMYD2, Lysine N-methyltransferase 3C, SET and MYND domain-containing protein 2, SMYD2, KMT3C

Target/Specificity

The synthetic peptide sequence used to generate the antibody [AP1044a](/product/products/AP1044a) was selected from the N-term region of human SMYD2. A 10 to 100 fold molar excess to antibody is recommended. Precise conditions should be optimized for a particular assay.

Format

Peptides are lyophilized in a solid powder format. Peptides can be reconstituted in solution using the appropriate buffer as needed.

Storage

Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.

Precautions

This product is for research use only. Not for use in diagnostic or therapeutic procedures.

SMYD2 Antibody (N-term) Blocking Peptide - Protein Information**Name** SMYD2**Synonyms** KMT3C**Function**

Protein-lysine N-methyltransferase that methylates both histones and non-histone proteins, including p53/TP53 and RB1. Specifically trimethylates histone H3 'Lys-4' (H3K4me3) in vivo. The activity requires interaction with HSP90alpha. Shows even higher methyltransferase activity on p53/TP53. Monomethylates 'Lys-370' of p53/TP53, leading to decreased DNA-binding activity and subsequent transcriptional regulation activity of p53/TP53. Monomethylates RB1 at 'Lys-860'.

Cellular Location

Cytoplasm, cytosol. Nucleus

SMYD2 Antibody (N-term) Blocking Peptide - Protocols

Provided below are standard protocols that you may find useful for product applications.

SMYD2 Antibody (N-term) Blocking Peptide - Images**SMYD2 Antibody (N-term) Blocking Peptide - Background**

SET domain-containing proteins, such as SMYD2, catalyze lysine methylation (Brown et al., 2006 [PubMed 16805913]).[supplied by OMIM].
