

SNRPC Antibody (C-term) Blocking Peptide
Synthetic peptide
Catalog # BP2841b**Specification**

SNRPC Antibody (C-term) Blocking Peptide - Product InformationPrimary Accession [P09234](#)**SNRPC Antibody (C-term) Blocking Peptide - Additional Information****Gene ID** 6631**Other Names**

U1 small nuclear ribonucleoprotein C {ECO:0000255|HAMAP-Rule:MF_03153}, U1 snRNP C {ECO:0000255|HAMAP-Rule:MF_03153}, U1-C {ECO:0000255|HAMAP-Rule:MF_03153}, U1C {ECO:0000255|HAMAP-Rule:MF_03153}, SNRPC {ECO:0000255|HAMAP-Rule:MF_03153}

Target/Specificity

The synthetic peptide sequence used to generate the antibody [AP2841b](/products/AP2841b) was selected from the C-term region of human SNRPC. A 10 to 100 fold molar excess to antibody is recommended. Precise conditions should be optimized for a particular assay.

Format

Peptides are lyophilized in a solid powder format. Peptides can be reconstituted in solution using the appropriate buffer as needed.

Storage

Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.

Precautions

This product is for research use only. Not for use in diagnostic or therapeutic procedures.

SNRPC Antibody (C-term) Blocking Peptide - Protein Information**Name** SNRPC {ECO:0000255|HAMAP-Rule:MF_03153}**Function**

Component of the spliceosomal U1 snRNP, which is essential for recognition of the pre-mRNA 5' splice-site and the subsequent assembly of the spliceosome. SNRPC/U1-C is directly involved in initial 5' splice-site recognition for both constitutive and regulated alternative splicing. The interaction with the 5' splice-site seems to precede base-pairing between the pre-mRNA and the U1 snRNA. Stimulates commitment or early (E) complex formation by stabilizing the base pairing of the 5' end of the U1 snRNA and the 5' splice-site region.

Cellular Location

Nucleus {ECO:0000255|HAMAP-Rule:MF_03153, ECO:0000269|PubMed:2136774}

SNRPC Antibody (C-term) Blocking Peptide - Protocols

Provided below are standard protocols that you may find useful for product applications.
