Angiotensin II, human
Synthetic Peptide
Catalog # SP2605a

Specification

Angiotensin II, human - Product Information

Primary Accession	Q10757
Sequence	**NH2-DRVYIHPF-COOH**

Angiotensin II, human - Additional Information

Other Names
Angiotensin, ANGT

Format
Peptides are lyophilized in a solid powder format. Peptides can be reconstituted in solution using the appropriate buffer as needed.

Storage
Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.

Precautions
This product is for research use only. Not for use in diagnostic or therapeutic procedures.

Angiotensin II, human - Protein Information

Name ANGT

Function
In leeches, the angiotensins are involved in diuresis.
