

Angiotensin II, human
Synthetic Peptide
Catalog # SP2605b

Specification

Angiotensin II, human - Product Information

Primary Accession
Sequence

[Q10757](#)
NH2-DRVYIHPF-COOH

Angiotensin II, human - Additional Information

Other Names

Angiotensin, ANG1

Format

Peptides are lyophilized in a solid powder format. Peptides can be reconstituted in solution using the appropriate buffer as needed.

Storage

Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C.

Precautions

This product is for research use only. Not for use in diagnostic or therapeutic procedures.

Angiotensin II, human - Protein Information

Name ANG1

Function

In leeches, the angiotensins are involved in diuresis.
